

pet insurance why you need it!

Unexpected accidents and illnesses can wreak havoc on your family budget.

Petplan® pet insurance helps cover the costs so that you can concentrate on what matters most — getting your four-legged family members the care they deserve.

healthcare gets costly without pet insurance

Every six seconds, a pet parent is faced with a vet bill for more than \$1,000¹. And one in three pets will need unexpected veterinary care each year². You want to make the best decision for your pet, regardless of cost. Petplan pet insurance provides peace of mind that should your pet get sick or injured, your costs can be covered.

how Petplan works

In the unfortunate event that your pet needs unexpected veterinary care, simply visit your vet as normal, send Petplan your simple, completed claim form and within 10 days (usually less!) your reimbursement should arrive.

And with Petplan, you have the freedom and flexibility to visit any licensed vet in the United States or Canada.

Petplan is America's #1 pet insurance provider³. In fact, Petplan has been providing pet health insurance for more than 35 years (that's 245 in dog years).

Here's what Petplan policyholders are saying:

"Our 10-month-old Saint Bernard, Bodie, was diagnosed with OCD in both shoulders — which meant that he would be on medication for this condition most of his life. We have submitted three claims and each time we had a check within two weeks (and sometimes within one). AMAZING. I only wished we could be on this insurance." – *Anne, Mel and Bodie*

"We have had Petplan for a little over a year now and we are very happy with them! Our beloved dog, Jake, was diagnosed with a cancerous tumor on his right shoulder. It was very expensive to have ultrasounds, X-rays, aspirations, doctor visits and surgery. Petplan was wonderful. They processed all my claims quickly and efficiently, and sent my checks without delay. The insurance was literally a lifesaver. Without Petplan, I wouldn't have been able to afford all the procedures and follow-up care Jake needed." – *Rick and Sabina*

"The vet bills, bloodwork and medications for my cat, Tigger, were all covered, and the reimbursement checks were mailed to me in less than two weeks. I have all six of my cats covered and can't emphasize enough that if you have pets, this company is a must have!" – *Lee Ann and Tigger*

"Thank you Petplan for all you do every day giving clients peace of mind, and helping them do the best for their beloved pets. As a veterinarian, I certainly appreciate you for helping me and my team practice the best quality medicine. There is nothing more heartbreaking than knowing we can help a sick pet but not being able to because of finances." – *Dr. Zubin Emmanuel*

You can't predict your pets' health. But you can plan for it.

You already "expect the unexpected" with your pets at home, but what about when it comes to their vet bills? Truth is, unexpected vet bills happen more often than you think (insatiable appetite for socks; case in point). And they can cost more than you'd care to imagine. Petplan pet insurance can help.

What is Petplan pet insurance?

Petplan pet health insurance helps you pay your unexpected vet bills. So if your pets have an accident or become ill, your first thoughts can be about their care, not your budget.

How do Petplan policies work?

It's simple. If your pets have an accident or get sick unexpectedly, simply visit your veterinarian as normal, complete, sign and submit your one-page claim form — which has been pre-filled with all your policy details for ease — and within days we'll send your reimbursement directly to you.

Will my policy cover things like genetic diseases and even cancer?

Absolutely! Petplan's policies cover genetic and chronic conditions — even cancer — as standard! Like all pet insurance policies, pre-existing conditions aren't covered. But with Petplan, you don't have to add extra costs just to get the coverage your pets deserve. We even offer complimentary underwriting and a money-back guarantee during the first 30 days of your policy.
